

Read Me FIRST

(My Background)

By Darryl Eberhart, Editor of "*Examining the Tough Issues (ETI)*"

And "*Tackling the Tough Topics (TTT)*" Newsletters

March 17, 2007 (Updated through: **April 19, 2007**)

The three "***Read Me...***" articles should be read **prior** to reading any of my other newsletters and writings, since they (1) let the reader know my background and my reasons for writing about "*tough issues& tough topics*", (2) provide some definitions of key terms, and (3) give an important message of caution. They are:

- "***Read Me FIRST***" – "My Background" – A brief summary of both my "intelligence community" background (which includes 20 years of military service) and my "religious" background.
- "***Read Me SECOND***" – "Message of Caution" – A message of CAUTION concerning books and other "informational tools" that I have recommended in my past writings – or may be recommending in my future writings.
- "***Read Me THIRD***" – "Why am I writing more and more about Roman Catholicism?" – Explains why I have been writing more and more about Roman Catholicism (Roman Catholic doctrine, the Vatican-Papacy, the Jesuit Order, and the *Knights of Malta*, etc.) in my more recent writings.

I. MY "INTELLIGENCE COMMUNITY" BACKGROUND:

I enlisted in the United States Air Force (USAF) immediately after graduating from High School in 1965. I was assigned to the United States Air Force Security Service (USAFSS) for my entire period of service in the Air Force. My initial training included a Basic Russian Language course at Syracuse University, and voice intercept and airborne voice intercept training at Goodfellow AFB, Texas. I also attended two survival courses. I later studied the Arabic language at Fort Meade, Maryland. While a member of the USAFSS I participated in numerous aerial reconnaissance missions on both RC-130 and RC-135 aircraft. (NOTE: The "R" in "**RC**" indicates "**R**econnaissance".) While serving in the USAFSS I worked as a linguist, as a traffic analyst, and as a reporter. After I had served almost 11 ½ years in the USAF, I received a U.S. Army warrant officer appointment as a voice intercept technician, and then spent 3 years in Berlin, Germany, serving at a U.S. Army Security Agency (ASA) field station. I later served in a U.S. Army Security Agency (ASA) company at Fort Campbell, Kentucky. During my tour at Fort Campbell I received a direct commission to the rank of captain in the U.S. Army, and then was assigned to the U.S. Army Intelligence Center and School at Fort Huachuca, Arizona to attend a tactical intelligence officer course. I served my last four years in

the Army at Fort Huachuca, and was for several years an instructor for various intelligence courses. Thus, during my 20-year military career, I spent almost 11 ½ years in Air Force intelligence, and slightly more than 8 ½ years in Army intelligence. After retiring from the Army, I worked for almost 6 years at a top Department of Defense (DOD) intelligence agency as a civilian employee. That equals almost 26 years in the “intelligence business”, during which time I held Top Secret and Special Intelligence clearances.

II. MY “RELIGIOUS” BACKGROUND:

[First some important] **DEFINITIONS** (hopefully in alphabetical order):

“Jesuit Order” (per Darryl Eberhart, Editor of TTT): *“The Jesuit Order is a religious order of the Roman Catholic Church, officially approved by Pope Paul III in 1540. The primary goals of this order are (1) to roll back the Protestant Reformation and the freedoms that it brought to many of the inhabitants of this planet; (2) to enhance the power and prestige of the Papacy; and (3) to rule despotically over the governments of the world through the Papacy. The head of the Jesuit Order is the Jesuit Superior General – the ‘Black Pope’ – the real power behind the Papal throne. The Jesuit Order is infamous for fomenting revolutions and wars, assassinating heads of State, and subverting nations.”*

“Jesuit Temporal Coadjutor” (per Eric Jon Phelps, author of Vatican Assassins): *“Someone who performs service or duties for the Jesuit Order, but who is not a Jesuit priest. This person may be of any race, religion, or sex.”*

“Knights of Malta” (per Darryl Eberhart, Editor of TTT): *“A Roman Catholic religious-military order headquartered in Rome with, and under the command of, the Jesuit Superior General. Much of the wealth of the Knights Templar, when it was disbanded in 1312, was given to the Knights of Malta. Many Knights of Malta have held top-level positions in various governments, in the world’s foremost intelligence agencies, in international banking, and in the publishing world. A number of Knights of Malta continue to hold such positions.”*

“Papacy” (per Webster’s New World Dictionary, Second College Edition; 1974): *“1. The position, authority, or rank of the pope. 2. The period of time during which a pope rules. 3. The succession of popes; popes collectively. 4. The government of the Roman Catholic Church, headed by the Pope.”*

“P2 (or P-2) Masonry” (per John Daniel, author of *The Grand Design Exposed*): “There is a Masonic Propaganda group, number two...known as the ‘P-2 Club’, with its headquarters being in Rome. ...The P-2 Club is a propaganda society of the world’s elite which includes high-ranking Roman Catholic prelates and, of course, Jesuits.” (*The Grand Design Exposed*; 1999; Page 169)

“Roman Catholic” (per Webster’s 1828 American Dictionary of the English Language): “Roman Catholic, as an adjective, denoting the religion professed by the people of Rome and of Italy, at the head of which is the pope or Bishop of Rome; as a noun, one who adheres to the papal religion.”

“Vatican” (per Webster’s New World Dictionary, Second College Edition; 1974): “1. The papal palace, consisting of a group of buildings in Vatican City. 2. The papal government or authority.”

“Vatican-Papacy-Jesuit-Knights of Malta cabal” (per Darryl Eberhart, Editor of TTT): “This is a term I use to describe the most powerful geopolitical-financial-religious institution in the world, which is governed by the Jesuit-controlled hierarchy of the Roman Catholic Church. This institution includes (1) the Vatican-Papacy, (2) the Jesuit Order, (3) the Jesuit-controlled Knights of Malta religious-military order, (4) other religious and religious-military orders (such as the Knights of Columbus), (5) Jesuit ‘temporal coadjutors’, (6) the ‘Congregation for the Doctrine of the Faith’ (i.e., the Inquisition), (7) the highest levels of Freemasonry (which are controlled by the Superior General of the Jesuit Order), (8) the Vatican Bank, (9) the numerous financial, corporate, real estate, and stock holdings of Papal Rome, and (10) a large priesthood with a tremendous intelligence gathering-mechanism called the ‘confessional’. This cabal is by far the biggest and most powerful ‘player’ on the New World Order (N.W.O.) ‘chessboard’, and is the biggest promoter of one-world government and one-world religion – both of which are to be under the authority of the Jesuit-controlled Papacy! This cabal has a long ‘track record’ of torture and genocide; and it is infamous for (1) fomenting bloody revolutions and wars (to include two world wars), (2) assassinating heads of State, and (3) subverting nations. It hates religious liberty, freedom of speech and press, and popular, representative government; and it loves Fascism and ecclesiastical tyranny. This cabal hates the American Constitutional Republic, and made plans for its destruction in three meetings in the 19th century (at Vienna, Austria in 1814-15; at Verona, Italy in 1822; and at Chieri, Italy in 1825).”

NOTE: For the last couple years I have been writing a lot about Roman Catholicism (especially about the Vatican-Papacy-Jesuit-Knights of Malta cabal). So I thought that folks should know something about my “religious” background:

I was born and a raised a Methodist; however, my dad and the vast majority of my relatives are **Roman Catholic**. My hometown and the towns immediately surrounding it are predominantly Roman Catholic. After I returned to my hometown – after a 26-year absence – I attended the local Methodist Church for several years, and then attended an independent fundamental church for a

number of years. For the past decade plus I have read through the entire Holy Bible each and every year – and I try to faithfully read several chapters from the Holy Bible each day. I strongly believe that the Holy Bible must be the “standard” – the only standard – by which we “measure” all doctrine! I highly recommend to all Christians that we study through the entire Holy Bible each year, because doing so will help to “inoculate” us against false doctrine!

I married a dear Roman Catholic lady in 1968, and attended a Roman Catholic catechism class while stationed with the United States Air Force (USAF) in Syracuse, New York. Even with my then-very limited knowledge of the Holy Bible, I had asked the Roman Catholic priest (who was teaching that catechism class for us non-Roman Catholics) some questions about several Roman Catholic teachings that directly contradict the Holy Bible. I believe my questions dealt with topics such as:

- (1) Scripture that showed that the Apostle Peter (a.k.a. Cephas) had both a **wife** and a mother-in-law (Please see **Matthew 8:14** and **I Corinthians 9:5**);
- (2) Scripture concerning the Lord Jesus Christ’s warning [i.e., admonition] about not calling any man on earth “**father**” (Please see **Matthew 23:8-10**, especially verse 9; the Lord Jesus Christ is talking in these verses about the scribes and Pharisees, who were the religious leaders of His day); and,
- (3) Scripture concerning the Lord Jesus Christ’s warning against using repetitious prayers as heathen people do (Please see **Matthew 6:7**).

This Roman Catholic priest said he didn’t even know that such things were in the Holy Bible. Well, since I was embarrassing this priest by asking him questions that he could not (or, would not) answer, and since others in the class were seeing his ignorance of the Holy Bible, we both simultaneously arrived at the same conclusion that I should not come back for any more catechism class sessions. And so I did not convert to Roman Catholicism. However, through that catechism class that I attended, through my reading of books about Roman Catholicism (including the catechism book given to me at that class), and through actual attendance of some Roman Catholic masses with my dad in my later teen years and early 20’s, I learned quite a bit about the Roman Catholic Church – about her doctrines, and then much later, about her history.

In a number of my more recent writings about the Roman Catholic Church – especially about the Jesuit Order and *Knights of Malta* – I have included the following short note, which is repeated below with some minor “word-smithing”:

“I am not a Roman Catholic; I also most definitely am not anti-Roman Catholic as far as individual Roman Catholics go. My dad and 90% of my relatives are Roman Catholic; and the majority of my friends are Roman Catholic. I am, however, against the top levels of secret societies

(from the hierarchy of the Jesuit Order to the hierarchy of Freemasonry). This is because these secret societies control the leadership of the Roman Catholic Church (through the Jesuit Order and P2 Masonry), and have often used this hierarchical system for evil purposes, such as Inquisition, 'holy' crusades, 'holy' wars, and religious genocide. Secret societies quite effectively use various elements within the hierarchical system of the Roman Catholic Church not only to keep over one billion Roman Catholics 'in line', but also to gather intelligence, and to infiltrate (through its Knights of Malta, Jesuit 'temporal coadjutors', etc.) governments and various Christian denominations, etc. I am also against any religious hierarchy that tries to place itself equal to, or above, the Lord Jesus Christ, the Son of God – or equal to, or above, God's Holy Word (that is, the Holy Bible) and His Ten Commandments!"
